MANNING
LIGHTING

G2

Flush or arm mount with slim profile and six panel options. Low voltage or LED downlight options.

Wet Greene

Pendant and sconce with extruded frame and six unique trim panel designs.

Pillar

Minimalist design with a strong presence and powerful up and down light options.

Riverside

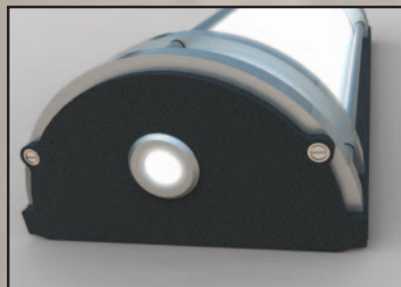

Additions to this popular family include 18" and 24" sconce, pendant, and ceiling mount.

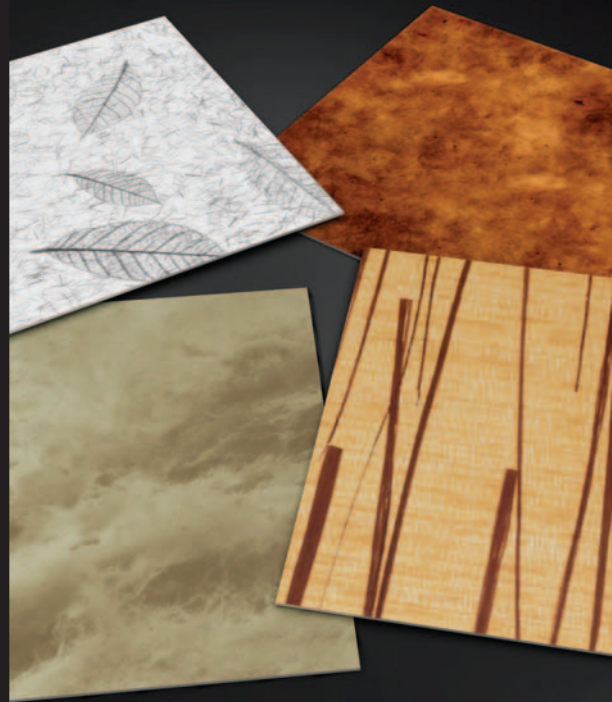

Boulevard

Classic design with modern bar trim configurations available in 18", 24", 36" and 48" heights. Up/down lighting options for egress available.

Digital Lenses

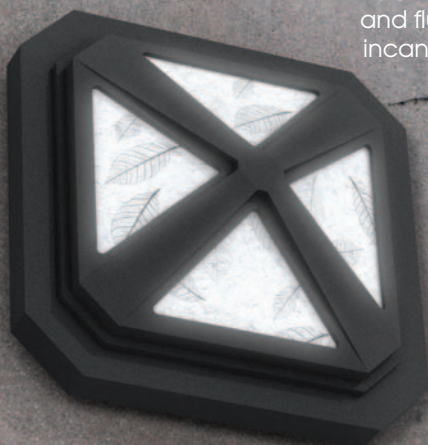

Lenses with digitally printed graphics give you freedom to specify almost any color or texture.

Panel Options

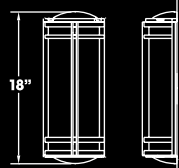

Twelve different panel options, as well as custom designs, are available on many products.

Creekside

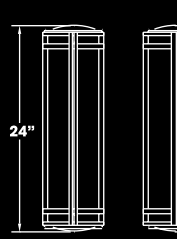

A decorative alternative to the generic wall pack is available in two sizes and fluorescent, LED, or incandescent lamping.
